| • <i>Senior Secondary Education; Percentage: 76%</i> | <i>2019</i> |

SKILLS SUMMARY

- **Languages:** Java, C++, C, SQL
- **Frameworks:** Spring Boot, Spring MVC, JSP, Servlet, Hibernate, Spring
- **Web Technologies:** HTML, CSS, JavaScript, Bootstrap
- **Databases:** MySQL, RDBMS
- **Tools:** Eclipse, NetBeans, VSCode, IntelliJ, Git, GitHub, Postman
- **Areas of Interest:** Full-stack Web Development, Software Development, Backend services

EXPERIENCE

Adivio Technologies Pvt Ltd

Java Developer

Sep 2025 - till now

Shivila Technologies Pvt Ltd

Java Developer Intern

Jan 2025 - Mar 2025

- **Mail Sender:** Automated email notifications using Spring Boot and JavaMail API for seamless communication.
- **SMS Sender:** Designed an SMS notification system with Twilio API, enabling real-time message delivery for user authentication and alerts.
- **QR Code Generator:** Built a QR code generation tool using the ZXing library and Spring Boot for secure data encoding.
- **OTP Verification:** Integrated secure one-time password (OTP) authentication using Spring Boot and email to enhance user security.

ACADEMIC PROJECTS

• Online Examination Portal:

- Designed a dynamic platform for conducting and managing online exams, enabling automated scoring and real-time results for students and administrators.
- Created an intuitive interface for managing exams and questions. Integrated admin functionalities for handling student data, exam scheduling, and results analysis.
- **Technologies Used:** Java, JSP, Servlets, HTML, CSS, JavaScript, MySQL.

• CRUD API:

- Developed a scalable backend service using Spring Boot to facilitate efficient CRUD operations and seamless product data management via RESTful APIs.
- Integrated JPA for database operations, providing seamless interaction between the application and MySQL.
- **Technologies Used:** Java, Spring Boot, RESTful APIs, JPA, MySQL, Maven, JSON.

CERTIFICATIONS

- Frontend Web Development Internship Training, IBM SkillBuild CSRBOX, Aug 2024
- Programming in Java, NPTEL, Apr 2024
- Introduction to Web Development with HTML5, CSS3, and JavaScript, IBM, Sep 2023
- Introduction to C++, SkillUp, Oct 2023
- Programming in C, Infosys, Oct 2023
- SQL and Relational Databases 101, IBM, 2023
